

Publications of the Week is a service offered by *The Bookseller* consisting of newly-published titles. The list is prepared by **Nielsen BookData** and contains titles published this year filed by classification and alphabetically under author. The date of publication is shown as (1.2007) for January 2007. More comprehensive bibliographic information including over five million titles along with enriched information and publisher and distributor details are available through a range of services provided by **Nielsen BookData**. These include CD-ROMs, online services as well as the leading transaction services provided by Nielsen BookNet: TeleOrdering, NBNWeb and first Edition's EDI services.
