

Publication of the Week is a service offered by *The Bookseller* consisting of newly published titles. The list is a **Nielsen BookData** information service and contains titles published this year filed by classification and alphabetically under author. The date of publication is shown as (1.2011) for January 2011. More comprehensive bibliographic information including over nine million titles along with enriched information and publisher and distributor details are available through a range of services provided by **Nielsen BookData** information service. These include Discs, online service ([www.nielsenbookdataonline.com](http://www.nielsenbookdataonline.com)) for search selection and ordering with sales ranking and Record Supply (for websites and internal systems) Nielsen Book also has a range of transaction services: Nielsen BookNet: TeleOrdering, and EDI. and the world's largest continuous retail sales monitoring service: BookScan which provides business critical information used by the book industry and the media worldwide
