Why YouTube?

- It's "where the kids are" – an effective way of directly reaching your target audience.
- Builds a connection with your target audience.
- Established platform with established content creators.

Collaborations

Remember!

- Regular content – on a weekly, bi-weekly – basis, builds your audience.
- Lighting and sound are the most important aspects.
- If working with a creator, PAY THEM.
- Honesty is key -- YouTube is all about establishing a bond with your audience.
